1 Awareness

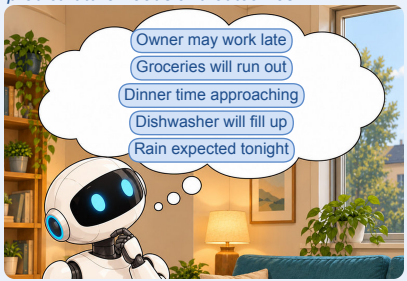

continuously monitor the situation

- Owner stressed
- Groceries low
- Dishwasher full
- Meeting at 6 PM
- Rain tonight

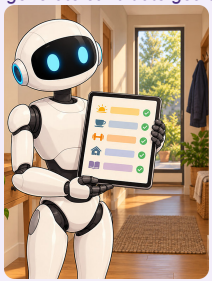

2 Anticipation

predict future needs and outcomes

3 Agenda

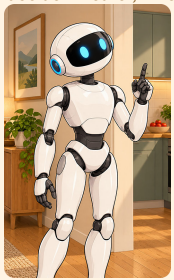

generate candidate goals to address gaps

- Prepare dinner
- Order groceries
- Start dishwasher
- Close windows before rain
- Bring in laundry

4 Arbitration

decide whether, when and how to act

- ✓ Enough confidence
- ✓ Worthwhile
- ✓ Good timing
- ✓ Safe & reversible

Prepare dinner now
others later

5 Action

execute the chosen action appropriately

6 Adaptation

learn from outcomes and feedback

- Update knowledge
- Refine preferences
- Calibrate thresholds
- Improve actions
