Agenda
1
Uncertainty & confidence
Is the belief about the user's need confident enough?
✕ LOW CONFIDENCE
clarify or seek more information
✓pass
2
Value vs. cost
Does the expected value of acting outweigh the cost?
✕ LOW NET VALUE
suppress, defer or re-plan
✓pass
3
Timing
When in the flow of events should it happen?
✕ BAD MOMENT
wait for a task boundary
✓pass
4
Risk & reversibility
Is it safe enough given the chance of being wrong?
✕ UNSAFE / UNAUTHORIZED
safer fallback, approval, escalation or refusal
✓pass
all four pass
Licence to intervene
